FEATURES

Built from hardwood beams that once served as communications infrastructure in Brazil, our highly individual tables have character culled from years of service and a remarkable previous life. A smooth glass top equips each perfectly for its new incarnation.

- ¾"-thick tempered starfire glass top
- Handcrafted of solid hardwood crossbeams reclaimed from Brazilian telephone poles

- Supported by metal cross braces
- Finished to preserve the naturally weathered, distressed patina
- This item is artisan crafted with meticulous care. Given its handmade and hand-finished nature, variations in the wood are to be expected and celebrated. No two items are exactly alike.

CARE

Wipe with a soft, dry cloth. Clean glass tabletops with standard glass cleaner.
