FEATURES

Handcrafted of solid reclaimed white oak timbers from decades-old buildings in Russia, our Parsons-style table is simple and functional in design. A salute to clean and contemporary style, the table celebrates the beauty of unadorned Russian salvaged oak. Free of ornamentation, the straight panel legs fit smoothly into the notched tabletop corners.

- Handcrafted of solid reclaimed oak timbers from decades-old buildings in Russia
- Rough-hewn planks are carefully hand-selected, planed and sanded
- Tabletop bears the patina of reclaimed wood and is accented with distinctive nicks, exposed knots and imperfections that speak to the wood's provenance

- By their nature, salvaged wood planks may be somewhat uneven, and may cup or bow slightly over time, further enhancing their rustic one-of-a-kind character; cracks will be present
- This item is artisan crafted with meticulous care. Given its handmade and hand-finished nature, variations in the wood are to be expected and celebrated. Each item is unique and no two are exactly alike.

CARE
