### FEATURES

A distressed bluestone slab is juxtaposed with a hand-hammered iron base in our rustic-meets-industrial table. The substantial 2"-thick bluestone displays the nicks and wear of its natural quarried state, while the firescale base proudly exhibits the marks of the blacksmith's anvil and forging iron.

- 2"-thick, laminated bluestone top with distressed edges
- Pounded iron legs and frame connected at midpoint with a stretcher
- Iron base is hand-hammered, sanded and varnished to achieve a rustic finish

- Spills on bluestone tabletop should be blotted as wiping may cause streaking
- Spot clean tabletop with soft towel and mild soap; products with abrasives, lemon, vinegar or acids can damage the stone

### CARE

Wipe with a soft, dry cloth.

### SWATCHES

Stone swatch available for purchase online, in stores or by calling 800.816.0901.
