FABRIC CARE

Dust or vacuum regularly to help keep fabric looking new. Dab spills immediately with a soft, white cloth dampened with distilled water. Do not use tap water or detergents to clean. Professional in-home upholstery cleaning is recommended. Avoid direct sunlight to protect the fabric.

LEATHER CARE

Dust regularly. Dab spills immediately with a soft, clean cloth. Do not use polishes, preservers, or leather soaps to clean. Light scratches may be rubbed out by the natural heat of your finger. Aniline-dyed leather will lighten and soften with both use and time and develop a rich, burnished patina. Avoid direct sunlight and heat to protect the leather.

SWATCHES

Complimentary fabric and leather swatches available online, in stores or by calling 800.816.0901; wood swatches available for purchase.
