FEATURES

A century-old English chair, with exposed wood legs in the Louis XIV style, served as a muse for our stately seating. We recreated the original's elaborate baroque turnings in solid hardwood with an Antiqued Oak finish.

- Available with or without Vintage Flour Sack print
- Burlap is a natural material with inherent inconsistencies in color and texture, making each chair unique; variations in the fabric are to be expected and enhance the vintage feel
- Hand-built from solid hardwood with an Antiqued Oak finish
- Block-and baluster turnings define the legs and stretchers
- Ample padded seat

FABRIC CARE

Dust or vacuum regularly to help keep fabric looking new. Dab spills immediately with a soft, white cloth dampened with distilled water. Do not use tap water or detergents to clean.
