### FABRIC CARE

Dust or vacuum regularly to help keep fabric looking new. Dab spills immediately with a soft, white cloth dampened with distilled water. Do not use tap water or detergents to clean. Professional upholstery cleaning is recommended. Belgian Linen, Army Duck and Brushed Linen Cotton slipcovers can be dry cleaned or machine washed in a commercial washer on cold and hung to dry; Vintage Velvet slipcovers can be dry cleaned. Avoid direct sunlight to protect the fabric.

### WOOD CARE

Wipe wood with a soft, dry cloth. Avoid direct sunlight and heat to protect wood finish.

### SWATCHES
