FEATURES

The massive, hand-carved columns and thick, planked tops of our tables are built from reclaimed pine; salvaged from 100-year-old buildings in Europe.

- Available in two silhouettes – rectangular and round
- Round tabletop features a striking x-pattern
- Each carefully chosen piece is planed and sanded but otherwise left unfinished
- Nicks, nail marks and imperfections speak of the wood's age and provenance
- Available in 3 finishes
- By their nature, unsealed salvaged wood planks may be somewhat uneven, and may cup or bow slightly over time, further enhancing their rustic one-of-a-kind character; cracks may be present

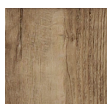

- This item is artisan crafted with meticulous care. Given its hand-made and hand-finished nature, variations in the wood are to be expected and celebrated. Each item is unique and no two are exactly alike

CARE

Clear furniture wax can be applied to protect the finish from minor spills. Use coasters or placemats to help prevent marks or stains. Avoid mineral oil as its usage could discolor the wood. Wipe using a damp cloth with mild soap and water, followed by a dry cloth. Wipe spills up immediately with a dry cloth.
