*Seating capacity based on 20"W Side Chairs along the length and an Armchair at each end.

**Seating capacity based on 20"W Side Chairs.

FEATURES

Our table pairs a 3"-thick slate grey concrete top with the natural beauty of solid reclaimed pine timbers from 100-year-old buildings in Europe.

- Tabletop is handcrafted from Slate Grey concrete composite with a 3"-thick edge
- Brackets accent the rectangular table's corners
- Table base bears the hallmarks of old wood with nicks, imperfections and nail marks that reveal the table's provenance
- Inherent variations in the color and shading of the concrete, as well as the casting process, lend unique character to each table
- Concrete may exhibit spotting and hairline cracks; scratches may appear due to usage
- This item is artisan crafted with meticulous care. Given its handmade and hand-finished nature, variations in the wood or concrete are to be expected and celebrated. Each item is unique and no two are exactly alike.

- Indoor use only; wood not treated for outdoor use
- Concrete tabletops are sealed with a clear, water-based acrylic coating. Resealing becomes necessary when highs and lows in the sheen of your tabletop become visible.

CARE

Clean with a damp cloth. Avoid abrasive soaps and cleaners. Wipe up spills quickly to avoid staining. Do not cut directly on tabletops. To remove scuff marks and slight scratches from tabletops, clean with Holloway House® Lemon Oil. Place a small amount of the lemon oil onto a clean cotton cloth and wipe down entire surface of concrete until the oil is evenly applied and marks disappear. Use another clean cotton cloth to wipe up excess oil until surface is dry to the touch.

SWATCHES

Wood swatches available for purchase online, in stores or by calling 800.816.0901.
