### FEATURES

Minimalist in form and free from extraneous decoration, our table's simple structure reflects the clean-lined aesthetic of turn-of-the-century Craftsman design. Constructed with an elm plank top and sturdy H-shaped trestles. The hand-rubbed finish highlights the wood's weathered patina and rich natural grain.

- Solid elm construction
- Mortise-and-tenon joinery
- I-shaped longitudinal base with extensions at each end supports the tabletop and legs
- 120" Rectangular Table has 3 A-frame legs; other sizes have 2 A-frame legs

- Hand-rubbed and distressed finish gives it the weathered patina of age
- This item is artisan crafted with meticulous care. Given its handmade and hand-finished nature, variations in the wood are to be expected and celebrated. No two items are exactly alike.

### CARE

Clear furniture wax can be applied to protect the finish from minor spills. Use coasters or placemats to help prevent marks or stains. Avoid mineral oil, as its usage could discolor the wood. Wipe the table clean with a soft, dry cloth after each use.
