FEATURES

The simple proportions of the famed Parsons table – named for the Parsons School of Design where it was developed in the 1930s – translate handsomely in a drifted oak finish. Our versatile, extension-equipped interpretation makes room for extra guests when called upon.

- Handcrafted of solid oak timbers, all hand-selected, planed and sanded
- Mortise-and-tenon joinery

CARE

Clear furniture wax can be applied to protect the finish from minor spills. Use coasters or placemats to help prevent marks or stains. Avoid mineral oil, as its usage could discolor the wood. Wipe the table clean with a soft, dry cloth after each use.
