See our website for pricing, additional views and more of our dining collections.

\*Seating capacity based on 20"W Side Chairs along the length and an Armchair at each end.

### FEATURES

Our handcrafted table bears the hallmarks of old wood with nicks, nail marks and imperfections that reveal the table's age and provenance.

- Handcrafted of unfinished, solid reclaimed pine timbers from 100-year-old buildings in Great Britain
- Rough-hewn planks are carefully hand-selected, planed and sanded
- Tabletop is unfinished and has the patina of reclaimed wood
- 124" table is grandly sized at over 13 feet long when extended
- Handsomely distressed and sized to accommodate large gatherings
- Nicks, nail marks and imperfections speak of the wood's age and provenance

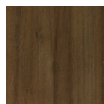

- By their nature, unsealed salvaged wood planks may be somewhat uneven, and may cup or bow slightly over time, further enhancing their rustic one-of-a-kind character; cracks may be present
- This item is artisan crafted with meticulous care. Given its handmade and hand-finished nature, variations in the wood are to be expected and celebrated. Each item is unique and no two are exactly alike

### CARE

Clear furniture wax can be applied to protect the finish from minor spills. Briwax, a high-quality finishing wax, is our furniture sealant of choice; apply as directed. Please note that slight variations in color and an incomplete seal may occur with any sealant. To ensure desired results, test sealant on an inconspicuous area first. Use coasters or placemats to help prevent marks and stains. Wipe the surface clean with a soft, dry cloth after each use.
