FEATURES

Los Angeles lawyer-turned-craftsman Thomas Bina created this V-form table, using solid reclaimed Douglas fir salvaged from the United States. Constructed around the material's existing shape, it nods to authenticity and handcraftsmanship in true 21st-century style. Smooth glass top offers an unobstructed view of the unique base.

- V-support base constructed of reclaimed Douglas fir from the United States
- Strengthened with metal turnbuckle tension links
- ¾"-thick tempered starfire glass top

- This item is artisan crafted with meticulous care. Given its handmade and hand-finished nature, variations in the wood are to be expected and celebrated. No two items are exactly alike.

CARE

Wipe the table clean with a soft, dry cloth after each use. Clean glass tabletops with standard glass cleaner.
