Unlimited Furniture Delivery Items denoted with this icon in our catalogs or online will be charged a low flat-rate handling fee based on delivery area. See a store associate or our website for details.

Fire Tables and Columns are delivered in 1-2 weeks, and coordinating accessories are delivered in 3-7 business days, in most US metropolitan areas. See our website for pricing and Canada. *Catalog and Web only.

FEATURES

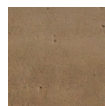

Enjoy the warm glow of a fire with our streamlined fire tables and fire columns. Positioned on a table or on the patio, they provide a glowing flame for indoor or outdoor entertaining, thanks to eco-friendly gel fuel.

- Laguna tables, columns and River Rock Fire Bowl are made from lightweight, heat-resistant fibercast concrete
- Like natural stone, fibercast concrete will develop a patina when left outdoors
- 19th C. Butter Churn Fire Table is constructed of reclaimed elm, with inherent imperfections that further enhance the table's rustic one-of-a-kind character

- Steel receptacle holds pourable, eco-friendly gel fuel (sold separately)
- Adjustable flame control
- Laguna tables and columns available in weathered slate or sand finish
- Laguna tables and River Rock Fire Bowl are topped with natural river rocks
- Eco-friendly pourable gel fuel produces hours of ambiance without the harmful particles or chemicals produced by burning wood
- For indoor or outdoor use if using Unscented Gel Fuel; for outdoor use only if using Citronella Gel Fuel

Weathered Slate

Sand
