FEATURES

- Cast of a composite that replicates the look of aged stone
- Will acquire a weathered patina over time
- Highly corrosion resistant
- Weather resistant; can withstand temperature extremes
- Silent, UL-listed energy-saving pump is made in Italy
- Water recirculates within the fountain
- Remove the pump from the fountain during freezing temperatures
- No plumbing required
- Uses a standard three-prong plug
- UL listed and CSA approved
- To protect fountain during the winter, remove pump, drain and dry fountain, then cover with our custom-fit outdoor cover (sold separately)
- Professional installation required
