RESTORATION HARDWARE

BAR HARBOR COLLECTION

FEATURES

Our welcoming, all-weather wicker collection evokes the porches and verandas of Bar Harbor, Maine, in the early 1920s. Braided detail outlines each piece, and open-weave insets create textural contrast.

- Hand-woven of durable strands of all-weather wicker wrapped around a rustproof aluminum frame
- Resists fading, cracking, tearing and mildew even after seasons of use
- Chaise adjusts to four reclining positions
- Set on woven egg-shaped feet
- Outlined with braided detail
- Available in 4 variegated custom finishes
- Lofty, zippered and poly-filled seat and back cushions (sold separately) come in a choice of 123 fabric options: 95 colors in Perennials® Textured Linen Weave, Classic Linen Weave, Faille, Textured Stripe, Solid Textured Weave, Canvas, Portofino Awning Stripe, Portofino Variegated Stripe and Portofino Ticking Stripe; and 28 colors in Sunbrella® Twill or Canvas fabrics
- Perennials and Sunbrella fabrics are easy care and weather friendly, resisting mildew, stains and fading
- Perennials fabric may develop a brushed, softened appearance over time as a result of use and wear. This is a natural characteristic of the fabric and is not a defect. If desired, use a fabric shaver to remove any loose fibers and create a smoother appearance.
- Protect your investment with our custom-fit outdoor covers (sold separately)

CARE

Use a dry, clean cloth to dust your furniture weekly and help maintain its luster. To clean furniture, spray off any dirt or debris with a hose and wipe dry with a soft cloth. Avoid letting water stand on the surface of your furniture and cushions.

All-Weather Wicker

If exposed to harsh sunlight or the elements, all-weather wicker will fade over time. We recommend that you protect your furniture and prolong its life with our custom-fit outdoor furniture covers when not in use.

Cushions

Sunbrella cushion covers are machine washable or may be spot cleaned with mild soap and water. For stain removal use a diluted solution of 1 part chlorine bleach, ¼ cup mild soap and 1 gallon water. Allow fabric to air dry.

Perennials cushion covers may be spot cleaned with mild, natural soap and thoroughly rinsed with lukewarm water. For stain removal, use a diluted solution of 1 part chlorine bleach to 2 parts water. Allow fabric to air dry. Professional cleaning is recommended for tough, persistent stains.

Flip cushions on their sides when wet to help drainage. To protect furniture and cushions year-round, use our custom-fit covers when furniture is not in use.

SWATCHES

Finish swatches and complimentary fabric swatches available online, in stores or by calling 800.762.1005.
