- Crafted of teak for enduring beauty
- Weathered grey finish will acquire a patina over time
- Teak able to withstand sun, rain, frost and snow
- Sturdy mortise-and-tenon construction
- Smooth planked top

CARE

To maintain your furniture's original condition, thoroughly clean it twice a year. To clean teak, apply a solution of mild cleanser and water with a soft brush. Gently scrub the teak free of any dirt and discoloration, and rinse well. Dry with a soft, clean cloth, making sure all surface water is removed to avoid damage and mildew. Protect your furniture with our custom-fit covers when not in use.
