RESTORATION HARDWARE

TEAK UMBRELLAS

FEATURES

Weather-hardy design perfect for the beach or the backyard. Heavy-duty teak pole endures the elements.

- Weather-resistant solid brass hardware provides years of service
- Rectangular umbrellas have double vents for wind passage and stability
- 4-way leather and brass pulley mechanism enables easy opening
- Two-piece pole easily disassembles for storage
- 9' umbrellas tilt 55 degrees with the push of a button
- Locks with pin
- Canopy available in 14 colors in Sunbrella® Canvas fabric
- Sunbrella® fabrics provide up to 98 percent UV protection and have been awarded the Seal of Recommendation by the Skin Cancer Foundation
- Compound concrete and rubber-based stands are available in grey or chocolate
- Stainless steel stands available in round and square styles
- Square stainless steel stand has wheels
